Sep-18	14.1	Arrange a meeting with SMBC to discuss SMBC/PC Partnership working matters. Clerk and Chair to attend.	CK		Have been attempting to arrange a meeting dates, but struggled to find a date when everyone who needs to attend is available. Last suggested dates are first week of April 2019. Awaiting confirmation of availability from SMBC. Meeting to be arranged in New Year. Solihull MBC Neighbourhood Coordinator has suggested that a regular meeting is scheduled between him and the Parish Council in order to raise and progress any issues. The Parish Council agreed that this would be beneficial and agreed that a quarterly meeting would be most appropriate. Dates, attendees and timescales to be discussed at a future Parish Council Meeting. Delayed due to Covid-19 restrictions and SMBC restructure.
Oct-18	17.1	Draft an email to be sent to SMBC, requesting that TPO's are added to all the trees on avenues bordering pavements throughout the Tidbury Triangle. Circulate to Councillors for comments.	CF		Email drafted, agreed and submitted. 15/10 SMBC responded, stating that given that the Council already has control over its own tree stock that there would be nothing to be gained from imposing TPOs, but there would be some serious disadvantages as the existence of a TPO would hamper the proper management and maintenance of the trees in question. It may therefore be more fruitful for you speak to the relevant Tree Officer for your part of the Borough (Charles Venables) about any concerns you may have regarding recent or future works to highway trees. It was agreed that Cllr Farr will arrange a meeting / walk around the area to discuss the trees which are of concern.
