

Equality and Diversity Policy

Introduction

Tidbury Green Parish Council recognises that equality of opportunity is essential to the success of the organisation both in terms of service delivery, our role as an employer and our role in representing the community, which we serve.

Tidbury Green Parish Council is committed to achieving equality of opportunity and valuing diversity in all aspects of its work. The Parish Council aims to provide services and activities which are accessible to as many people as possible whilst recognising the diversity of local need. The council will seek to ensure that no-one is disadvantaged by the application of other conditions or requirements which cannot be shown to be justified. In doing so, the council will strive to work within its resources and the appropriate legislative framework.

The Parish Council will work to tackle direct and indirect discrimination, to promote social inclusion and to actively encourage greater participation of underrepresented groups.

We are committed to promoting equality of opportunity and equality of access that is free from discrimination, prejudice, harm, stereotyping, harassment, victimisation, and any other form of discrimination.

The purpose of this policy is to ensure that Tidbury Green Parish Council complies with current legislation and with its own commitment to promote diversity and equality and to tackle discrimination in all its activities and services. This policy applies to council decision-making, services and activities (including participation in the democratic processes) community consultation and engagement, procurement and employment. (This list is not exhaustive).

Legislative Background

Tidbury Green Parish Council acknowledges that it has a role in the pursuit of opportunity for all and it seeks to work within the context of the Equality Act 2010. The Equality Act 2010 (Disability) Regulations 2010 (the 2010 Regulations), issued pursuant to the 2010 Act came into force on 1 October 2010. The council wishes to declare its commitment to working towards equality in employment and via the delivery of its services. In particular, the council will work to combat discrimination and to ensure that prospective and present employees and those who may want to use its services are not treated less favourably on the following grounds which are the identified Protected Characteristics as identified in the Equality Act.

- Age
- Disability
- Gender Reassignment
- Race
- Religion or Belief
- Sex
- Sexual Orientation
- Marriage and Civil Partnership
- Pregnancy and Maternity.

Disability: A person is disabled if they have a physical or mental impairment which has a substantial and long-term adverse effect on their ability to carry out normal day to day activities (for example using a telephone, walking, lifting, and reading). An impairment is long-term if –

- It has lasted for at least 12 months,
- It is likely to last for at least twelve months, or
- It is likely to last for the rest of the life of the person affected.

Regulations confirm that those certified as blind, severely sight impaired, partially sighted, or sight impaired by a consultant ophthalmologist will be deemed to have a disability. They also confirm that persons with cancer, HIV infection or multiple sclerosis are deemed to have a disability.

People suffering from drink or drug abuse are outside the scope of the Regulations. Notably pursuant to section 13 (3) of the 2010 Act, if a person (e.g. an employer or a service provider) treats a disabled person more favourably than a non-disabled person, this does not constitute direct discrimination.

Gender Reassignment: gender reassignment is a protected characteristic that applies to a transsexual person who is proposing to undergo, is undergoing or has undergone a process (or part of a process) to change their sex (by physiological or other attributes of sex).

Race Equality: The Parish Council has a duty to: Eliminate unlawful racial discrimination; Promote equality of opportunity; Promote good race relations between people of different racial groups.

Religion or Belief: This must be genuinely held

Sex

Marriage & Civil Partnership

Pregnancy & Maternity: It is unlawful to discriminate against a woman if, in the protected period as identified above, she is treated unfavourably because of pregnancy.

Public Sector Equality Duty

Section 149 of the 2010 Act, which came into force on 5 April 2011, imposes on public authorities (which as specified in Schedule 19 includes principal authorities, parish councils and parish meetings without a separate parish council and, in Wales, community councils) in the exercise of their functions, a duty to take into account:

- The need to eliminate discrimination and harassment, victimisation and any other conduct that is prohibited by or under the Act;
- To advance equality of opportunity between persons who share a relevant protected characteristic and persons who do not share it;
- To foster good relations between those who share protected characteristics and those who do not.

The protected characteristics of marriage and civil partnership are not covered by the provisions of Section 149.

Equal Opportunity

Tidbury Green Parish Council is committed to achieving equality of opportunity for those who live in the Parish, use its services and for their employees.

Equal opportunities, fairness in the workplace and providing good quality services to the local community are all inter-linked. It is the council's aim and responsibility to promote good community relations, equality of opportunity and to tackle any unlawful discrimination in all of its forms.

This statement is to demonstrate the council's wholehearted commitment to action in tackling inequality and ensuring that we are an inclusive Parish Council. Such action is the responsibility of Councillors and all employees of the council.

Employment

(1) The aim is to provide a non-discriminatory working environment where discrimination, harassment or bullying is unacceptable and which will not be tolerated. Employment policies, procedures and practices will promote equality of opportunity and all decisions regarding recruitment, selection, training, promotion and career management will be based solely on objective and job related requirements. The Equality Act 2010 protects disabled persons from discrimination; this includes a duty on employers to make reasonable workplace adjustments to prevent disabled employees and job applicants from being placed at a disadvantage compared to non-disabled people. An example of a reasonable adjustment may be a special type of chair for a disabled visiting member of public with a back condition.

The Parish Council, as the Employer, has a duty to make reasonable adjustments but can decline to make adjustments that it considers to be unreasonable, giving consideration to the below points:

- Will the proposed adjustment resolve the problem?
- Is it a practical solution?
- How much will the overall cost be in making the change and is it affordable?

These reasonable adjustments may include some of the following:

- Providing suitable furniture and equipment.
- Altering the person's working hours.

(2) The Parish Council will take full account of the provisions of the Equality Act 2010 when recruiting staff. Section 60 of the 2010 Act relates to the recruitment process and specifically covers the enquiries that can be made **before** employment. An employer is not permitted to ask questions about a job applicant's health before offering work.

(3) Employee recruitment

- 3.1 The Parish Council is an equal opportunities employer. This means that decisions concerning recruitment, promotion, dismissal or any other aspect of employment will be based on the needs of the council and not any assumptions based on sex, race, age, disability, gender reassignment, sexual orientation, married or civil partnership status, pregnancy or maternity, religion or belief.
- 3.2 All application forms shall state that the Parish Council encourages applications from all, including those from the Protected Groups.
- 3.3 Advertisements for recruitment will not request applicants from a particular age range.
- 3.4 In order not to discriminate against younger people, all application material will emphasise the importance of skills and potential, as well as experience.
- 3.5 Information about job vacancies will be made available to all sections of the community.
- 3.6 A job description and person specification must be drawn up for every vacancy and be provided to all prospective employees

(4) Dismissal of staff

- 4.1 The council will ensure that there is no discrimination in relation to the dismissal of staff.

Access to services

The aim is to ensure that all those who receive from the Parish Council or wish to use a council services can do so without fear of discrimination or disadvantage.

All people are entitled to and will be treated fairly, in a consistent manner and with dignity and respect.

Service Provisions to the Public

1. All Members of the Public will be treated fairly and consistently
2. All services shall be provided without unlawful discrimination, harassment or victimisation.
3. Those using council held properties, services and facilities will be afforded all possible assistance so as to ensure that they can access these, with special attention being given to those who find it difficult to access facilities on the grounds of their age or disability or other Protected Characteristic.
